STUDENT COUNCIL

The Student Council of Rosholt High School is composed of two students from each class and one from each organization; thus far, the organizations include the Future Farmers of America and the Future Homemakers of America. These members, in turn elected their advisor, Mr. Wrolstad.

The Carnival was the biggest project of the Student Council and was quite successful. Some of its other activities have included: planning programs for special occasions, campaigning for March of Dimes, sponsoring movies during noon-hour and planning "Visiting Day" for eighth graders.

All school activities must function through the Student Council. Its members also help to formulate the rules by which the student body is governed.

CLASS PROPHECY

On a warm June evening, in the year of 1966, a carload of old classmates, graduates of '56, roared their way into a favorite stamping ground, better known as Johnny's Garden--now owned by George Wierzba, a former faithful patron. Ronnie Dulak was giving our "refreshments." He's on vacation from Milwaukee where he is a designer in a famous girdle factory. With him was Phyllis Woyak, his best model.

On a table in the center of the room we saw Miss "Swivel Hips," formerly known as Carol Slagoski, who was demonstrating the new dance routine that she picked up in Hawaii. Accompanying her was Ralph Gilbert, her manager, who likes to get in the act.

Dolores Wierzba just returned from location in Africa where she starred in her latest movie, "Congo Bathing Beauties." She said she saw Florian Yenter swinging from tree to tree like Tarzan, keeping just a swing ahead of all his female admirers.

Mary Zabrowski couldn't come because she's too busy curling Gorgeous George's hair. She now specializes in waving wrestlers hair.

Leroy Wrycza happily told us that he took over Jack Webb's job on Dragnet when he retired. Oh yes, and Jack's latest wife too.

The former Gertrude Bunczak is busy working in the photography studio run by her husband Stevie, so she could not attend.

Geraldine Wrycza is happily married to Jerome, and to prove it, she brought all their kids along.

Phyllis Colrud just couldn't stay away from home so she came back to be Music Director at Rosholt High. She also has a husband and four children to care for during her spare time. Her kids and Geraldine's had a wonderful time playing together during the reunion.

Virginia Pezewski is now engaged to Aly Khan's father, the Aga Khan, since his wife died. She always said she'd marry a rich old guy.

Maynard Richter is now a dance instructor at Arthur Murray's. He managed to leave his job for a few days so that he could teach all of us a new dance step to the "Rock and Roll Waltz."

Rose Dobbe is here from Chicago. She arrived two days ago, and she mentioned that we should all stop in and see her famous night club, "The Kit Kat."

Bernadine Yenter sent a telegram saying she could not attend the reunion, but that we should all have a good time for her. She is now in Germany, where her husband, Danny is a twenty-year man.

Joan Essex is now a top executive at the Waldorf Astoria. She is very well-known as the personal secretary to the President, Waldorf A. Storia.

Dolores Domaszek is personnel manager for Rock Hudson. He accompanied her as far as Chicago on his flight East. Seems she can't say enough about him. Everyone got free tickets to his latest movie, thanks to Dolores.

Arlene Stanislawski says she is a nurse for Doctor Jonas Salk. While she was present she tried to vaccinate everyone against polio.

In the corner we found Enid Zakrzewski examining a mouse hole with her spy glass. She is a Private Eye for Lloyds of London. Helping her was Bette Bratz who is an Ambassador to Russia --who also stopped W. W. III by flirting with the Premier.

Beverly Catozzi just dropped in for a minute. She's a professional gadabout now and she couldn't leave her work.

Jerry Urban called everyone outside to see his new invention, an atomic motor in a car which he also designed. He started this car in his senior year during Chemistry classes. It is operated by brain waves, therefore, none of us could try it out.

Edwin Ostrowski flew down in his new private supersonic jet. He just made his third million raising pigeons and rabbits for Central Park.

Adeline Wilkowski said she had some of her paintings hung at a famous gallery in Paris. It seems she's running competition for Rembrandt.

Carol Kurszewski now owns Monte Carlo Cassino where Mike Cieslewicz spends most of his time and money shaking dice. Carol closed the cassino for one night so they both managed to attend the reunion.

The evening was a success after the arrival of Mr. Hanna, our senior class advisor, who staged an act entitled "Hairless Joe." At 4 a.m. everyone left the party singing "Show Me the Way to Go Home."

CLASS HISTORY

In the Fall of 1952, we started our high school years at Rosholt--thirty-two eager Freshmen. We enjoyed our Initiation tremendously. Our officers elected in the fall of the year were as follows:

President . . . . . Jack Knitter
Vice-President . . . . . Mike Spare
Secretary . . . . . Phyllis Colrud
Treasurer . . . . . Rose Dobbe

We were well represented in all extra-curricular activities.

In the Fall of 1953, we entered Rosholt High as mighty Sophomores. Enrollment had decreased to thirty-one. Three new transfer students included David Rasmussen, Dolores Wierzba, and George Wierzba. Our big moment was in October when we initiated the Freshmen of 1953. Class officers for that year were:

President . . . . . Bette Bratz
Vice-President . . . . . Joan Essex
Secretary . . . . . Arlene Stanislawski
Treasurer . . . . . Carol Kurszewski

Then came our big year. We started our Junior Year with twenty-nine members. Five new students who joined our class were: Gertrude Bunczak, Beverly Catozzi, Ronald Dulak, Edwin Ostrowski, and Adeline Wilkowski. Our class rings arrived shortly before Christmas, and we were very pleased and proud of them. Our class play, "The Zoozah," was a howling success. The Prom date was April 22--the theme song was "Isle of Capri." The Community Hall was decorated with palm trees, painted murals, and an island for our throne. Ronald Dulak and Carol Slagoski reigned as King and Queen. Music was furnished by Cliff Hoene. Officers that year were:

President . . . . . Phyllis Colrud
Vice-President . . . . . Enid Zakrzewski
Secretary . . . . . Joan Essex
Treasurer . . . . . Ralph Gilbert

Our last step of high-school education began in the Fall of 1955. Our enrollment now had dwindled to twenty-seven. At the end of the first semester, Edwin Ostrowski transferred to Milwaukee. Our class pictures were taken at New London in October. They arrived on the 21st of December. In the Spring of 1956 we presented our class play. Our officers for this year were:

President . . . . . Ronald Dulak
Vice-President . . . . . Florian Yenter
Secretary . . . . . Enid Zakrzewski
Treasurer . . . . . Carol Slagoski

Our Baccalaureate Services were held May 20, at St. Adalbert's Catholic Church. The Commencement Exercises were May 24, at the Community Hall.

Laurie Huntington, just home from college, where she has studied enough psychology to make her believe she can remake other people's lives, soon has the house a maze of jumble-blocks and slides and word association tests--and the whole family wandering around with thermometers in their mouths to find their E. P.'s("Energy Peaks!"). Wally happens upon Laurie's "casebook" in which she had laid quiveringly bare the ego-bones of the rest of the family. This is TOO much. To teach her a lesson, they resolve to carry to extremes the pet theories she has forced upon them.

Wally and Brainstorm want Lois Updike to enter a beauty contest and win for reasons of their own. By chance the boys buy a Zoozah, half human, half monkey, which reputedly brings its owner good luck. They try to convince Lois that she cannot lose with such a creature in the house. The boys find it hard to conceal the creature in the basement or closet, as its presence must be kept from Mrs. Updike. Wally doesn't know his girl friend, Elaine, has escaped from her tyrant-like guardian by disguising herself as the Zoozah. Brainstorm is bewildered by Zoozahs everywhere present. Complications are ironed out, however, and life soon gets back to normal.

ONE-ACT PLAY

STANDING, Left to Right: J. Czerwonka, R. Aanrud, N. Blaski, G. Rosholt, J. Urban, Mr. Wagner, B. Catozzi, R. Rutkowski. SEATED: P. Rogoski.

"THE PRINCESS MARRIES THE PAGE"

This play is a charming interlude with a theme that might have been taken from an old fairy tale. A princess sits in her tower, when a gay young page breaks in on her privacy. There follows a war of words, accompanied by soft looks. Suddenly an alarm is sounded, soldiers are marching to the tower. The page is not a page at all, but the son of a neighboring ruler. The curtain falls with a thoroughly satisfactory ending - they fall in love and decide to be married.

F.H.A.

The Future Homemakers of America is an organization which is symbolic of growing youth. Any girl enrolled in homemaking classes in high school may become a member. Its motto is "Toward New Horizons." Its flower is the red rose, and its colors are red and white.

Some of the activities of the Rosholt Chapter for the 1955-56 school year have included the Mother-Daughter Banquet, the Snowball, the Leadership Training Meeting at the D. C. Everest High School, the Cherry Pie Contest, various types of demonstrations, and the baking of cookies to send to children's hospitals.

At the 1955 State F. H. A. Convention, Bette Bratz was elected as a state officer to the post of Vice-President. In September, the State Executive Council held its first meeting in Rosholt which was a great honor for our local chapter.

PUREBRED SWINE PROJECT

One of the major activities of the Rosholt FFA Chapter is the Purebred Swine Project sponsored by the State Bank of Rosholt and the Rosholt Sales Company. They originally purchased four purebred Hampshire Gilts to start the project and then it became self-supporting.

A FFA member receives the gilt in the spring upon request. He is required to exhibit the gilt at the Rosholt County Fair in the fall. When the pig farrows the next year, he gives one gilt to another FFA member. The orginal pig and the remaining gilts are his todo with as he wishes. The Rosholt Chapter also receives one gilt from Sears Roebuck and Company which sponsors a similar project in Portage County.

The boys taking part in the projects this year are: John Laska, Kurt Knopp, and Donald Gladowski. Each boy is pictured here with his pig, John Laska's being the Sears' donation.

F.F.A.

The Future Farmers of America, or "FFA" as it is commonly known, is the national orginization or, by and for boys studying vocational agriculture in public secondary schools. Its motto is: "Learning to do; doing to learn; earning to live; living to serve." Its colors are National Blue and Corn Gold.

It is a non-profit, non-political, farm youth organization of voluntary membership, designed to take its place along with other agencies striving for the development of leadership, the building of a more permanent agriculture, and the improvement of country life.

The Future Farmers of America exists today because of a cooperative spirit and a desire on the part of farm boys, 14 to about 21 years of age, preparing for farming through vocational agriculture, to have a national organization of their own in which they may secure practical business experience, act as their own instructors, and enjoy the fellowship of one another.

The activities of the Rosholt Chapter have included the Father-Son Banquet, a trip to Milwaukee, the Snowball, attending the officers training meetings, and attending the State F. F. A. Convention at Green Lake. The delegates chose to attend the 1955 convention held in June were Kurt Knopp and Onufry Karch.
